

Dr Naveen P Singh

Member (Official)

Commission for Agricultural Costs and Prices (CACP)

Ministry of Agriculture and farmers Welfare,

Government of India

Email: membero.cacp-agri@gov.in; naveenpsingh@gmail.com

Dr Naveen P Singh, is currently a Member at CACP, Ministry of Agriculture and farmers Welfare. He is on deputation from ICAR-National Institute of Agricultural Economics & Policy Research (NIAP), where he was serving as Principal Scientist since 2015. He has previously served at ICAR-NIASM (2012-2015) and ICRISAT from 2008-2012 as a Coordinator of Asian Climate Adaptation Policy program and also worked at CIMMYT during 2000-2002. Prior to this, he was a Scientist at ICAR-IARI New Delhi, where he taught courses in Marketing Management and Agril. Development policy to Doctoral and Masters Students. Dr Singh has nearly 22 years of experience in the areas of Futures Market, Price Analysis, Impact Assessment, Research Priority Setting, Conservation Agriculture, Participatory Research and Adaptation Strategies to Climate Change. He has practical experience and knowledge of a wide range of Agricultural systems, Diversification and other agricultural developmental issues in Semi-Arid tropics of Asia and China. He has good theoretical and applied knowledge of the intricate issues of socio-economic research, critical for livelihood upliftment of rural poor and small farmholders. Moreover, his recent work emphasizes reorientation of research agenda towards developing farm practices and technologies suited to agro-ecology and mainstreaming climate change agenda in developmental policy landscape.

Dr Singh has been a prolific writer and as a part of his academic work, he has published nearly 80 research papers in national and international journals, two books (Springer & CABi), more than two dozen articles on topical issues and several policy papers and briefs. He has several awards, professional recognition and membership of editorial board of reputed journals to his credit. He holds a Post-doctoral from CIMMYT Economics Program and Doctorate degree in Agriculture Economics from ICAR-Indian Agriculture Research Institute, New Delhi.
